## TENNIS CHAMPION FIGHT DOPE

The entries for the tennis singles championship of the Islands closed yesterday afternoon and play will start tomorrow afternoon at the courts of the Pacific Tennis Club at 2 o'clock. The entry list is not as large as was expected, both Hilo and Maui failing to send down any entries, though the date has been specially set for their convenience.

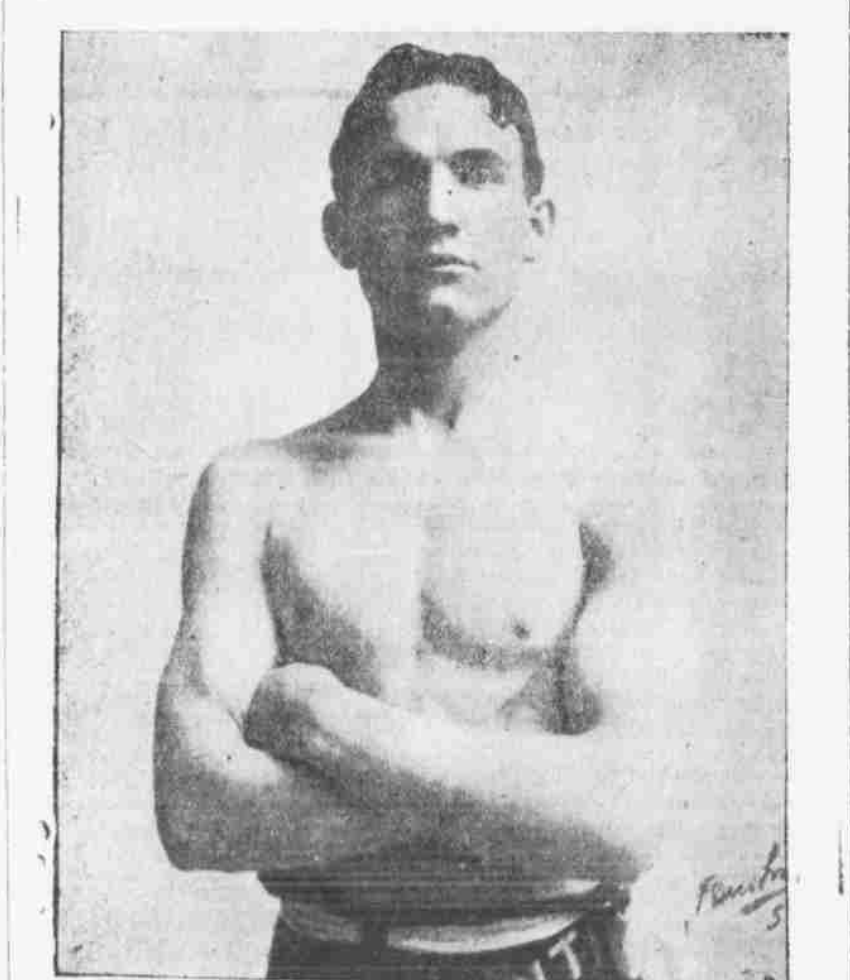

It is apparently certain that the fight for the championship will lie between W. L. Warren and Richard A. Cooke. The latter will beat L. S. Connors with ease on the first day's play and will also clean Ray Rietow up without difficulty, his next match probably coming against Warren, who will play Harold Castle in his first match and probably C. G. Bockus in the second, for the latter should defeat M. Ballou in the first round.

In the second half of the drawings Al Castle and A. J. Lowrey appear to be the strongest and in all probability one of these two will play in the final match against either Cooke or Warren. Lowrey has been ill with stomach trouble for the past few weeks and is not in his regular form, which makes it look as if Castle would win out.

Al Castle should beat Joe Cooke and Lowrey take Baldwin into camp in the preliminary round while Steere and Greenfield of Ewa will have a hard fight, with the odds in favor of the plantation man.

The drawings are as follows: R. B. Rietow (bye); L. S. Connors vs R. H. Cooke; W. L. Warren vs Harold Castle; C. G. Bockus vs S. M. Ballou; A. J. Castle vs J. P. Cooke; A. J. Lowrey vs S. A. Baldwin; F. E. Greenfield vs R. E. Steere.

## JOE LAHEY SAYS HE HAS REILLY

JOE LAHEY, WHO MIXES IT WITH CHARLIE REILLY.

"I think I have a good chance to beat Reilly, as my condition is very good, though I will have no excuse to make if he wins from me Saturday night. I think I can beat him in a long fight, as it is hard for a fellow to get a lead in four rounds. That is what we fought before to a draw and I think, as this is fifteen, I will be able to get him."

JOE LAHEY.

The above is Joe Lahey's opinion of the coming bout between him and Charlie Reilly at the Orpheum Saturday night.

## SPORTING SPOUTS

OAKLAND, Sept. 26.—With the distribution of nearly 100 trophies to prize winning canines the first annual dog show of the Ladies' kennel association of California, which opened yesterday morning, came to a close tonight in the Ina park rink. The attendance was the largest since the exhibition opened, hundreds availing themselves of the opportunity of seeing some of the finest of the blue blood dog aristocracy of the state. The display was a gratifying success, and the lady dog fanciers under whose management the show was given were well pleased with the manner in which the first dog display ever made under

the direction of women west of New York was received by the general public.

OAKLAND, Sept. 26.—The revolver match between Henry A. Harris and C. F. Armstrong took place at the Shell Mound ranges today and resulted in a victory for Armstrong. This match excited considerable interest among the local marksmen and a large crowd was on hand to witness the shooting. From start to finish the winner seemed to have the upper hand, and when the final scores were tabulated Harris was in the minority. The loser challenged the winner to a return match, to take place within the course of the next few weeks.

GRAVESEND, N. Y., Sept. 26.—Angelus, a castoff from Harry Payne Whitney's stable won the Oriental handicap today in track record time. This angular son of Sandringham, the English stallion bred by King Edward, and imported to this country by the late W. C. Whitney, ran the mile and three-sixteenths course in 1:59, a full second faster than the mark established by Stamina, his former stable mate, September 18. In order to win Angelus had to make a heart breaking pace from start to finish. He ran the first half mile in :47 3-5 and the mile in 1:37 4-5, a new track record for the distance.

## RAPID TRANSIT MAKES GOOD PLAY

The Baseball League came out of the season about \$200 behind, but this has been made good by the generosity of the Honolulu Rapid Transit & Land Company, L. A. Thurston being the prime mover. At a meeting of the H. R. T. & L. Co. held yesterday it was voted to pay over to the trustees of the League \$200.

WIRELESS STRIVES TO WARN CRUISER OF GALE  
WASHINGTON, September 26.—All the Atlantic wireless stations are trying to pick up the cruiser Prairie to warn her of a terrible West Indian hurricane advancing toward Porto Rico from the southward. The Prairie is carrying 250 sailors for the Pacific fleet to Colon, where they will be sent to Panama and San Francisco.
